PRESS CONFERENCE WITH LAURA FLESSEL EMMANUELLE ASSMAN AND FREDERIC DELPY-----

"I am delighted to be here this is the festival of handisport and it is an appointment that I already knew, and seeing athletes in a handicap situation, come and see them with eyes that sparkle me, Around the sport, all this delights me.

My two missions as Minister of Sports are to lead the Paris2024 bid to the Olympic and Paralympic Games.

My second mission is to fight exclusion and work with other ministries to achieve this goal. PARIS 2024, it is our straight line and we are preparing to go to Lausanne in July, for supporting Paris 2024 candidacy. This is the promise that it is a Grand Prix that takes place for the disabled in Paris and the government goes beyond it for that. So it's a movement in place that is already on my side and I'm delighted that you're the one to get the messages across" Minister of Sports Laura Flessel stated---

QUESTION Rahma Sophia Rachdi: When the former Minister of Sports Patrick Kanner was transferred to your new ministry of sport, you, Laura Flessel, spoke about your great support and your personal involvement in the PARIS2024 bid, The OLYMPIC AND PARALYMPIC GAMES. So we hope that it has been well noted by the media, as we have noted on our side. At the last ministerial council meeting at Elysee, Spokesman Mr Castaner explained to us that "President Macron has asked all ministers to mobilize with you for the PARIS 2024 bid. How will this collegial work be organized?-----

ANSWER Laura Flessel: As far as Collegiality is concerned, we are on the road and we are indeed going to work in a solidarity between ministries and sport by transversality is taken into account in all fields. There are bridges to be made there are projects that already exist and we will make them integrate and at the European level.

QUESTION Rahma Sophia Rachdi: Personally I am very glad that you are named Minister of Sports because you are a great multi-Olympic champion of fencing, a woman, and you come from the DOM TOM (French West Indies). How is it that one does not communicate enough on the DOM TOM knowing that it is their champions that bring back the majority of the Olympic medals? (17 medals brought just during the RIO 2016 Olympics)-----

ANSWER Laura Flessel: I do not forget my origins, I come from DOM TOM and it is a nursery and my next trip at the end of June will be done in DOMTOM then Reunion and Guyana to improve the infrastructures on the spot and encourage the DOM TOM has felt completely integrated in the candidature Paris2024, of the Olympics.
